Message From The Founder

We believe in the very basic rule that “the better the quality within an economy the higher would be the demand for our products and services both nationally and internationally”. I think that only those entrepreneurs who will compete on the basis of consumer preferences, quality and design rather than price only will endure and survive. Our skilled, energetic and experienced team is working more hard , honestly and continuously to maintain our leadership status in the tent and canvas industry by always satisfying our precious customers. I am thankful to all my companies, children, team members, buyers and above all to my Almighty ALLAH for his blessings, support and courage.

Mr. Ejaz Ahmed Malik
Chief Executive
Zahra Tents Industries (Pvt) Ltd.

Brief History

Zahra Tents Industries becoming giant in this field not in one day, but by the constant and day and night hard workmanship of our chief executive Mr. Ejaz Ahmed Malik from last 35 years. Zahra Tents Industry was established in 1973 by promising not to compromise on his quality and on time delivery by Mr. Ejaz Ahmed Malik.

Zahra Tents Industries with their honest and hard working team always doing their best to satisfy his esteemed customers by all means. Mr. Ejaz Ahmed Malik, started tent making with one machine in 1970 with his team and now by the grace of Almighty Allah he has own 3500 machines running by skilled labour in his factories. From 1973, every year Zahra Tents Industries increased its number of clients and increased number of orders from all parts of the world. In every part of world you must find esteemed customer of Zahra Tents Industries. This was only done by providing best quality product with best price and also in time delivery.
